Anonymous narrator: Exposing the Disney Company

Anonymous narrator: We are here as the anonymous members of Anonymous Literature organization to expose the Disney company despite the hidden roots of the problem that Disney still has.

Anonymous narrator: On the RAN dot org website, the update of an article on the linkage between Disney and rainforest destruction. The article that Rainforest Action Network wrote about how Disney's ties to the rainforest destruction was exposed again.

Anonymous narrator: Rainforest Action Network organization exposed the linkage between Disney and the rainforest destruction.

Anonymous narrator: Lab tests revealed that all 3 Disney books did come from rainforest destruction.

Anonymous narrator: According to the article on RAN dot org website, the environmentalist organizations like Rainforest Action Network sent a letter to the Disney company to explain that the Disney Company has had a serious environmental problem and it was sent to Disney in April 2010.

Anonymous narrator: After this organization Rainforest Action Network sent the letter to Disney, Disney has not resolved the problem in years.

Anonymous narrator: This organization Rainforest Action Network launched a public campaign against Disney.

Anonymous narrator: The test results of Greenpeace organization demonstrates that Disney's connection to deforestation through paper was likely problematic.

Anonymous narrator: Rainforest destruction is no fairytale, it's violence.

Anonymous narrator: Do we want to email Disney about how to stop deforestation? No, we will not cause Disney will not stop until we stop supporting this.

Anonymous narrator: Who has worked for Disney?

Professor Owl (from Disney's Sing Along Songs: Heigh Ho): But how many can you name?

Anonymous narrator: People who have worked for Walt Disney are Hugh Harman, Ub Iwerks, Rudolph Ising, Virginia Davis, Roy Oliver

Disney, Lillian Bounds-Disney, Marc Fraser Davis, Frank Churchill, Leigh Harline, Ward Kimball, and more.

Professor Owl (from Disney's Sing Along Songs: Heigh Ho): But how many can you name?

Anonymous narrator: Who sung in the Disney films? Thurl Ravenscroft who has a bass voice, Bill Lee who has a baritone voice, Bob Hamlin, Bob Stevens, Bill Coe, Max Smith, and Gene Merlino who have tenor voices.

Professor Owl (from Disney's Sing-Along Songs: Heigh-Ho): But how many can you name?

Anonymous narrator: 9 original animators of Disney. Ward Kimball, Marc Fraser Davis, Leslie James Clark, Ollie Johnston, Milt Kahl, Wolfgang Reitherman, John Lounsbery, Frank Thomas, and Eric Cleon Larson.

Anonymous narrator: Greenpeace versus Disney.

Anonymous narrator: We searched for Disney on the Greenpeace international website, only 43 results.

Anonymous narrator: Greenpeace did numerous reports on Disney that are related to the deforestation and the toxic clothing.

Anonymous narrator: Did Greenpeace infringe on Disney?

Chi Fu (from Disney's Mulan film): Impossible.

Anonymous narrator: If we have grown up watching any of the Disney films, then reality reached us in our faces. We have witnessed the posters that are based on dream collaboration and Disney x Greenpeace on behance dot net.

Anonymous narrator: Greenpeace has accused Disney for mainly putting toxic chemicals in children's clothing.

Anonymous narrator: Compare Greenpeace with Disney. Greenpeace. An environmental non-profit organization. Does the protesting. Is to ensure the ability of the earth to nurture life in all its diversity, from the protection of oceans and ancient forests to phasing out the toxic energy. Is promoting the natural clean energy in order to stop the disasters such as the planetary warming. Disney. A corporate media company. Does more than just film and animation. They even built some theme parks full of rides. Made thousands of films that are listed on the websites such as Wikipedia and Internet Movie Database. Owned some other media companies such as Pixar, Marvel, and Lucasfilm.

Anonymous narrator: We have witnessed on Walt Disney World magic forum website about the report of Greenpeace protest against toxic Disney clothes despite the ignorance of Disney.

Anonymous narrator: Greenpeace has once confronted Disney and Greenpeace demands Disney to stop deforestation despite the ignorance of Disney.

Anonymous narrator: Rainforest Action Network versus Disney.

Anonymous narrator: On December 25 of 2020, we did a screen recording on the RAN dot org website about the article of Disney's deforestation.

Anonymous narrator: On October 11 of 2012, Disney announced a comprehensive paper policy that maximizes its use of environmentally superior papers like recycled and eliminates controversial sources like those connected to Indonesian rainforest destruction.

Anonymous narrator: Disney produced millions of books and magazines according to the article on RAN dot org.

Anonymous narrator: RAN began its Disney campaign in 2010 after lab tests found that its children's books were printed with rainforest fiber from Indonesia.

Anonymous narrator: Rainforest Action Network is an environmental non-profit organization like Greenpeace, Disney is not.

Anonymous narrator: Rainforest Action Network's protest got Disney's attention.

Anonymous narrator: RAN's Disney campaign is over.

Anonymous narrator: Did Disney's paper policy really stop the deforestation?

Anonymous narrator: 4 members of Rainforest Action Network were protesting against the deforestation at the Disney Studios but suddenly, they were imprisoned for some reason. After the protest, Disney adopted a new paper policy.

Anonymous narrator: Walt Disney's early life.

Anonymous narrator: We all knew that Walt Disney was born in Chicago, Illinois on December 5, 1901.

Anonymous narrator: Walt Disney had a difficult childhood and his father was so strict.

Anonymous narrator: Walt Disney was not really interested in fiddling, his father was.

Anonymous narrator: As an adolescent, Walt Disney develops his interest for animation and film.

Anonymous narrator: Walt Disney has tried to sign up for the army but he failed cause he was under the age of 18. Instead, Walt Disney was sent to France to drive an ambulance for the red cross in the army for at least a year.

Anonymous narrator: Walt Disney was living on a farm somewhere around Marceline, Missouri from 1906 to early 1910s.

Anonymous narrator: Walt Disney had to drop out of high school in order to join the army.

Anonymous narrator: Walt Disney started to smoke during WWI.

Anonymous narrator: Walt Disney's animation film business.

Anonymous narrator: This is Laugh-o-Gram Studio in the brick building somewhere in Kansas City, Missouri.

Anonymous narrator: Laugh-o-Gram Studio has operated from June 1921 to 1923.

Anonymous narrator: In the early years of animation, the studio was home to many of the pioneers of animation, brought there by Walt Disney. It was the site of inspiration for Disney and Ub Iwerks to create the character called Mickey Mouse. Laugh-o-Gram is the subject of two feature films: As Dreamers Do and Walt Before Mickey.

Anonymous narrator: In 1921, Walt Disney was contracted by Milton Feld to animate twelve cartoons, which he called Newman's Laugh-o-Grams. On May 23, 1922, when Disney was nearly 21, Laugh-o-Gram films (LOGF) was incorporated by him using the remaining assets of the defunct Iwerks-Disney commercial artists from local investors. LOGF produced nine of the requested 12 films with little income. But encouraged by his shorts' popularity at the theatre, and inspired by, Disney decided he wanted to make his own animated versions of fairy tales too, and invested six months on his first attempt at Little Red Riding Hood.

Anonymous narrator: The company had financial problems and by the end of 1922, Disney was living in the office and taking baths once a week at Union Station.

Anonymous narrator: After finishing the raw edits of Alice's Wonderland, the studio filed for Chapter 11 bankruptcy in July 1923.

Anonymous narrator: An actress who was a girl named Virginia Davis 1st came to Laugh-o-Gram Studio in 1923.

Anonymous narrator: The Walt Disney Company has began on October 16, 1923.

Anonymous narrator: It all started with a mouse.

Anonymous narrator: Disney was originally founded on October 16, 1923, by the brothers named Walt and Roy O. Disney as the Disney Brothers Studio, it also operated under the names of the Walt Disney Studio and Walt Disney Productions before changing its name to the Walt Disney Company in 1986. Early on, the company established itself as a leader in the animation industry, with the creation of the widely popular character named Mickey Mouse, the company's mascot, and the start of animated films.

Anonymous narrator: There was nothing more successful than The Walt Disney Company.

Anonymous narrator: Walt Disney's relationship with Lillian Bounds-Disney.

Anonymous narrator: How did Walt Disney and Lillian Bounds-Disney meet? Walt Disney and Lillian Bounds-Disney met each other in the 1920s while Lillian was working in the ink and paint department at the studio.

Anonymous narrator: Lillian Bounds-Disney was 2 years older than Walt Disney.

Anonymous narrator: Lillian took a small amount of pride that Walt wanted to spend more time with her.

Anonymous narrator: Walt Disney and Lillian Bounds-Disney didn't just love each other but they got married on July 13, 1925 in Idaho.

Anonymous narrator: Walt Disney's parents did not attend Walt Disney's wedding.

Anonymous narrator: In December 1933, Diane Disney-Miller was born to Walt Disney and Lillian Bounds-Disney.

Anonymous narrator: On December 21, 1936, Sharon Disney was born but 2 weeks later, Walt Disney and Lillian Bounds-Disney adopted Sharon Disney.

Anonymous narrator: Walt Disney and Lillian Bounds-Disney were married for 41 years.

Anonymous narrator: 3 years after Walt Disney's death, Lillian Bounds-Disney was 70 years of age when she married her 2nd husband named John L. Truyens. It was the year 1969.

Anonymous narrator: Disney and The Americanism

Anonymous narrator: Walt Disney and his family are Americanists.

Anonymous narrator: Walt Disney and his family have a religion called Americanism not just christianity plus they supported Americanism.

Anonymous narrator: Walt Disney and his family did celebrate Americanism.

Anonymous narrator: Disney and the meaning of Americanism: certain Disney films that are set on the land named America such as Dumbo, Song of The South, and Melody Time are Americanist.

Anonymous narrator: Disney is for sure linked to Americanism.

Anonymous narrator: All these employees of Disney are promoting Americanism.

Dr. Robert Morse: Not telling you to get away from it, they're promoting it.

Anonymous narrator: Disney is supporting Americanism.

Anonymous narrator: If we support Disney, then we support Americanism.

Anonymous narrator: Disney has romanticized Americanism.

Anonymous narrator: Years went by as the Americanists blamed Disney for supporting LGBTQ+ but it's actually stupid for Disney to keep on supporting Americanism. Disney should have kept supporting LGBTQ+ long time ago.

Anonymous narrator: Anonymous Peer Circle Network versus Disney

Anonymous narrator: Anonymous Peer Circle Network (formally known as Peer Circle) is an anonymous peer based organization that was known for doing meetings such as Exposing Arbitrary System through presentation series.

Anonymous narrator: Anonymous Peer Circle Network was created before 2020.

Anonymous narrator: The symbol of Anonymous Peer Circle Network was simply a circle.

Anonymous narrator: Anonymous Peer Circle Network's Exposing Arbitrary System presentation series videos were uploaded on Flote, MeWe, and archive dot org weekly on a Sunday.

Anonymous narrator: Anonymous Peer Circle Network's Exposing Arbitrary System podcasts were uploaded on Flote, MeWe, archive dot org, Dropbox, and Anoncast weekly on a Monday.

Anonymous narrator: The question is how arbitrary the Disney company was.

Anonymous narrator: Anonymous Peer Circle Network's Exposing Arbitrary System (formally known as Education of Arbitrary System) is about exposing the arbitrary system.

Anonymous narrator: Anonymous Peer Circle Network has been exposing Disney for years, just like Anonymous Literature Media did.

Anonymous narrator: Don Bluth versus Disney

Anonymous narrator: Who was Don Bluth? Don Bluth was born on September 13, 1937. He grew up on early Disney films such as Snow White and The 7 Dwarfs. He was interested in animation, just like Walt Disney himself did. Don Bluth was once working for Disney but not anymore thanks to Disney's digitalization and modernization of animation. He decided to move forward with directing and producing films, even create his own independent animation studio.

Anonymous narrator: Walt Disney was Don Bluth's lifelong hero and a supporter of Walt Disney.

Anonymous narrator: In 1955, Don Bluth was nearly 18 when Disney hired him as an animator.

Anonymous narrator: Don Bluth worked for Disney as an animator from 1955 to 1979.

Anonymous narrator: In 1979, Don Bluth had to leave the Disney Studios.

Anonymous narrator: Don Bluth was once living on a farm like Walt Disney. Don Bluth rode a horse to the theatre as a child just to see 1 Disney film.

Anonymous narrator: Don Bluth's birthname was Donald Virgil Bluth.

Anonymous narrator: Don Bluth had an idea of making a traditional 2d hand-drawn animated film that is loosely based on the book of Mrs. Frisby and the rats of NIMH but Disney didn't really make it so Don Bluth made the 1st film named Secret of NIMH without Disney and it was released in 1982.

Anonymous narrator: Bluth grew increasingly frustrated with the corporate nature of Disney's animation production.

Anonymous narrator: Don Bluth had a mentor who retired from Disney named John Lounsbery.

Anonymous narrator: Don Bluth is the new Walt Disney or is he?

Anonymous narrator: Don Bluth was a well-known animator, director, producer, instructor, and designer.

Anonymous narrator: Mexica Movement versus Disney

Anonymous narrator: Mexica Movement was protesting against Disneyland thanks to anti-indigenous culturism.

Anonymous narrator: According to Los Angeles Indymedia website, the Walt Disney company has failed to reprimand or discipline either host of the talk show.

Anonymous narrator: Mexica Movement is an indigenous organization that stands for indigenous people not just the Mexican people.

Anonymous narrator: Mexica Movement did launch this boycott of Disney because it was exposing Disney for over 2 decades.

Anonymous narrator: Was Mexica Movement anti-Disney? Maybe yes.

Anonymous narrator: Think Mexica Movement was boycotting Disney until the Disney company goes away?

Chi Fu (from Disney's Mulan film): Impossible.

Anonymous narrator: The last Mexica Movement boycott against Disney was in 2001 and it has ended in this successful termination of a \$20 million Disney movie project.

Anonymous narrator: Mexica Movement is an organization, Disney is not.

Anonymous narrator: The Muppets versus Disney

Anonymous narrator: Walt Disney himself did not create the muppets, muppets were originally created by the puppeteer named Jim Henson.

Anonymous narrator: After Jim Henson died, the Walt Disney company owned the muppets.

Anonymous narrator: Anonymous Literature, Disney, and the Jim Henson company produced the stories about the interspecies romance.

Anonymous narrator: The Jim Henson company, Anonymous Literature, and the Walt Disney company have created their own characters.

Anonymous narrator: The Muppets were originally non-Disney.

Anonymous narrator: In February 2004, Disney company purchased the muppets.

Anonymous narrator: Beginning in 1989, Jim Henson had been in negotiations with Disney for a sale of the company so that he could focus on creative projects without the hassles of running a company.

Anonymous narrator: In 1990s, Disney began to create some muppet films such as Muppet Treasure Island.

Anonymous narrator: Jim Henson, Walt Disney, and Mr. Gen Lovyet will be featured in our new documentary called The 3 Mistrs.

Anonymous narrator: The audience is filled with King Triton's royal subjects including Mickey Mouse, Donald Duck, Goofy, and Kermit the Frog from The Muppets franchise as cameos in Disney's The Little Mermaid movie.

Anonymous narrator: In 1955, Jim Henson created The Muppets and it started with Kermit the same year that Disney released the film Lady and The Tramp. Jim Jenson's first character from The Muppets was Kermit the Frog.

Anonymous narrator: Jim Henson upcycled his own pair of blue jeans, ping pong balls, and his mother's old spring coat to make a puppet named kermit the frog. Kermit the Frog was originally a lizard-like creature and then Kermit the Frog is a frog. Kermit the Frog is now Disney's property.

Anonymous narrator: The word muppet was invented by Jim Henson not Walt Disney himself. Jim Henson combined the words of marionette and puppet to make the word muppet.

Anonymous narrator: Symbol of the company. Symbol of The Muppets was the frog. Symbol of Disney was the mouse.

Anonymous narrator: How many characters did they make? Jim Henson, During his 34-year career as a puppeteer, Jim Henson created more than 400 different muppets and provided the voices for Kermit the Frog, Ernie (of Bert and Ernie fame), host of tv named Guy Smiley, Rowlf the dog, the Swedish chef and the lovable curmudgeon, Waldorf. There were more muppets created after Jim Henson's death. Walt Disney, Walt Disney himself created at least 4 characters including Mickey Mouse. For 9 decades, the Walt Disney company has created hundreds of characters before and after Walt Disney's death.

Anonymous narrator: Jim Henson and Michael Eisner were featured in the documentary tv series called In Their Own Words that is the 3rd episode of season 1.

Anonymous narrator: Jim Henson won 4 types of awards. Courage Conscience award, Emmy award, Disney Legend award, and Inkpot award.

Anonymous narrator: Jim Henson posthumously received a star on the Hollywood walk of fame in 1991, and was named a Disney Legend in 2011.

Anonymous narrator: Jim Henson died in 1990 and Disney took over The Muppets.

Anonymous narrator: Did you know that The Muppets were originally non-Disney?

Anonymous narrator: The Conscious Resistance Network versus Disney

Anonymous narrator: The Conscious Resistance Network is an independent media organization focused on empowering individuals through information, philosophy, health, and community organizing.

Anonymous narrator: According to the article on The Conscious Resistance Network website, the more you dig and probe, you might come to realize that Hollywood has been shaping our thoughts since most of us were children and watched our first Disney movie. It's like we were so brainwashed to watch so many films made by corporations such as Disney.

Anonymous narrator: The Conscious Resistance Network has exposed Disney for some years.

Anonymous narrator: In November 2013, the founder of The Conscious Resistance Network was an independent journalist named Derrick Broze and another independent journalist named Neil (liberty) Rademaker partnered up and relaunched the brand as The Conscious Resistance "Network". Anonymous narrator: Apple, Netflix, Amazon, Google, Verizon, and Microsoft are part of the big tech industry plus Apple and Microsoft are manufacturing companies.

Anonymous narrator: Digitalized Disney recordings are sold on Apple music.

Anonymous narrator: Digitalized Disney films were once available on Netflix but not anymore. Netflix is now full of more non-Disney films.

Anonymous narrator: Youtube has tons of digitalized Disney films and recordings.

Anonymous narrator: Disney and Apple were in the battle of two titans in the entertainment and tech combined.

Anonymous narrator: Disney Plus and Apple tv plus both offer a compelling catalog of content at prices that defeated the costs of Netflix, Amazon Prime video, and (in the case of Apple Plus) even Hulu's already low price of almost a 7 dollar month plan but it actually costs more now.

Anonymous narrator: We will be producing more documentaries. Exposing Mac Apple, Exposing Microsoft Windows, and Exposing Cyber Big Tech.

Anonymous narrator: We don't need those. We all wanted them exposed.

Anonymous narrator: Disney has its own Youtube channel, Pinterest account, Tumblr account, Instagram account, Twitter account, and Facebook account

Anonymous narrator: Tons of Disney products are being sold on Amazon despite the ratings, even the digitalized ones.

Anonymous narrator: Disney is so digitalized and cyberized just to be part of big tech.

Anonymous narrator: Relationship between Disney and McDonalds.

Anonymous narrator: Disney versus McDonalds

Anonymous narrator: Walt Disney met the future founder of McDonalds named Ray Kroc while in world war 1 era for the ambulance corps.

Anonymous narrator: Walt Disney and Ray Kroc were both influenced by corporate culture.

Anonymous narrator: Disney and Kroc. Disney, founder of the company called Walt Disney Company. Once an animator. A producer and director of his own films. Had so many animators, directors, producers, actors, and crews. Both, met each other in world war 1 serving in the same ambulance corps. Lied about their ages while signing up for the military. Businessmen. Came to terms with cross-marketing that would benefit their companies. Broke off their deal. Drove the ambulances for red cross in the army. Had customers and employees. Recipients of the negative backlashes. Kroc, founder of McDonalds. Once an agent of the estate. Once a vendor. A devoted member of the Republican party. Kroc never got to partner with Disney during his lifetime.

Anonymous narrator: Though they did seem to go back and forth with Disney over the years. The relationship between these two companies is quite complicated. All we know for sure is that Happy Meals will still be able to carry the occasional Disney promotional toy from time to time.

Anonymous narrator: Difference between 2 companies. Disney, the animation film company. Produces animation, songs, and films. Even produces its own soundtracks for mainly its own films. Created its own characters for mainly films. Built it's own amusement park called Disneyland. Copyrighted it's own films and stuff. Recipient of negative backlash because of the culturist issues in mainly its own films. Created on October 16, 1923. McDonalds, a restaurant company. Does produce mainly pseudo-foods such as cheeseburgers and serve property estate. Recipient of negative backlash because of the unhealthiness of their products. Best known for its hamburgers, cheeseburgers and french fries, although their menus include other items like chicken, fish, fruit, and salads. Created on May 15, 1940.

Anonymous narrator: These like minded master entrepreneurs would go on to forge their own paths, and it wasn't until almost 40 years later that Ray Kroc would try to make a connection again.

Anonymous narrator: McDisney? To have a combination of McDonalds and Disney in order to call it McDisney than just some rare last name.

Anonymous narrator: On and off, McDonalds has been partnering with Disney.

Anonymous narrator: The partnership comes more than a decade after Disney severed ties with the burger brand called McDonalds.

Anonymous narrator: Are McDonalds and Disney anti-vegan?

Anonymous narrator: McDonalds was known as Mickey d's and McDoh.

Anonymous narrator: Anonymous Literature Media versus Disney.

Anonymous narrator: Nearly 94 years after the Walt Disney company was created, we created Anonymous Literature Media. It was February 16, 2017.

Anonymous narrator: Anonymous Literature Media (formally known as Anonymous Drama Literature) is an independent literary collector organization, Disney is not.

Anonymous narrator: What is the symbol of it? Anonymous Literature Media, the symbols of Anonymous Literature Media are the theatrical full face mask and the diamond shape. Diamond eye is beyond a logo and it's a symbol for some reason. Disney, we all knew that the symbol of Disney is a mouse cause it used the character named mickey mouse as a mascot.

Anonymous narrator: Did you know that Anonymous Literature and Disney are fictionalists?

Anonymous narrator: Did you know that Anonymous Literature is like non-Disney but actually the opposite of Disney?

Anonymous narrator: Anonymous Literature versus Disney is like Disney versus non-Disney.

Anonymous narrator: Did you know that Disney and Anonymous Literature have less to do with porn?

Anonymous narrator: Did you know that Disney, Anonymous Literature, and some various creators have used certain names that are common today?

Anonymous narrator: Did you know that Anonymous Literature was created 94 years after Disney? Disney Company was created in 1923.

Anonymous narrator: Did you know that Disney and Anonymous Literature have used the names of Timothy and or Thomas?

Anonymous narrator: Did you know that Disney and Anonymous Literature have used castles in the settings?

Anonymous narrator: Did you know that Disney and Anonymous Literature are part of the media culture?

Anonymous narrator: Did you know that the characters of Anonymous Literature are non-Disney?

Anonymous narrator: Did you know that Anonymous Literature works are not owned by Walt Disney company? Anonymous Literature is indeed non-Disney.

Anonymous narrator: Did you know that Anonymous Literature has used the pre-existing Disney recordings such as Disney soundtrack for it's own presentation of What Do You Know About?: Walt Disney?

Anonymous narrator: Did you know that Shakespeare, Disney, and Anonymous Literature have used the name of Richard?

Anonymous narrator: Did you know that Disney and Anonymous Literature have used Beethoven's score of symphony 5?

Anonymous narrator: Did you know that Disney and Anonymous Literature have used the names of Elizabeth and or Martin?

Anonymous narrator: Did you know that Disney and Anonymous Literature have used the name of Mary?

Anonymous narrator: Pre-Anonymous Literature era spans from December 2014 to February 14, 2017. There were at least 5 works including What Do You Know About?: Walt Disney from the pre-Anonymous Literature era.

Anonymous narrator: Anonymous Literature era spans from February 16, 2017 to present. Rest of the Anonymous Literature works in the Anonymous Literature era are produced and collected by Anonymous Literature Media. We have a total of over 300 works in the collection of Anonymous Literature Media.

Anonymous narrator: In the Disney presentations that we created, we compare our characters and settings with the Disney version of settings and characters.

Anonymous narrator: Anonymous Literature Media itself has been exposing the Disney company since its creation in 2017 and that's why we created our first documentary called Exposing The Disney Company.

Anonymous narrator: In December 2021, we began producing a choir song in Dutch called D Is For Disney and its all about us exposing Disney.

Anonymous narrator: Every time when we use the video clip and a recording of Professor Owl who asked how many can you name before

naming characters or things from Disney to Anonymous Literature Media for certain presentations of ours.

Anonymous narrator: Every time when we host a party before the music begins, we used mainly a Disney recording of Mr. Geppetto's voice as Mr. Geppetto from Disney's film Pinocchio who said.

Mr. Geppetto (from Disney's Pinocchio): Music professor.

Anonymous narrator: Every time when we expose the lies in certain presentations after the first recording, we use the Disney recording of Governor Ratcliffe's voice from the computer video game called Disney's Animated Storybook: Pocahontas who said.

Governor Ratcliffe (from Disney's Animated Storybook: Pocahontas): Lies, lies, all of it.

Anonymous narrator: Disney did not make movies about us or our Anonymous Literature works, were glad.

Anonymous narrator: Disney didn't make enough characters with bass voices but Anonymous Literature Media was creating more characters with bass voices than Disney did.

Anonymous narrator: The biography book of What Do You Know About?: Walt Disney was indeed about Walt Disney's life and it was written anonymously. It was initially finished in December 2014 and then the biography book of What Do You Know About?: Walt Disney was on Lulu Bookstore since December 2016 and it was self published. What Do You Know About?: Walt Disney was our first book collected and of course a first book ever to be produced.

Anonymous narrator: Our first book collected called What Do You Know About?: Walt Disney was indeed a pre-Anonymous Literature work that was originally made in December 2014 and it was indeed a first one in the pre-Anonymous Literature era.

Anonymous narrator: On December 16, 2018, we hosted the party at a private home in Redondo Beach, California while celebrating the 2nd anniversary of the online publication of the biography book of What Do You Know About?: Walt Disney as we only played the Disney songs from the Disney animated films. A fan of Disney named Judy Renee Kelly came to our party at a private home in Redondo Beach, California with her aunt named Judy Crafton. Our other guest named Lezley Saar who was also at the party.

Anonymous narrator: We created a presentation of our biography book called What Do You Know About?: Walt Disney. We separated the other presentations from the presentation of What Do You Know About?: Walt Disney that are related to Disney and its stuff. That's how we expose Disney in a different way.

Anonymous narrator: In the eras of Disney animation, it started with Early Disney period and it ends with Disney revival period as we did the presentations properly in order when it came to the eras of Disney animation.

Anonymous narrator: We start with Early Disney Period.
